¶ 1.) The Order also stated the following with respect to any request for attorneys' fees:

Any request for attorneys' fees must be supported by contemporaneous time records showing, for each attorney, the date of service, the hours expended, and the nature of the work performed. Counsel should also provide the number of years they have been admitted to the bar and their hourly rate. Finally, the Conclusions of Law shall include a paragraph or paragraphs setting forth the legal basis for any requested award of attorneys' fees, including why, if applicable, the number of attorneys involved are entitled to fees.
